## ABOUT

Reliable, ambitious, and determined Frontend Developer with a background in digital humanities and communication. Experienced in developing scalable, high-traffic e-commerce platforms and web applications using modern frameworks such as React and Vue. Skilled in API integration (RESTful, GraphQL), Google Analytics and responsive design. Passionate about interdisciplinary approaches and learning to deliver innovative solutions.

## HARD SKILLS

### Front-End Frameworks

[ React & Next | Vue & Nuxt ]

### Back-End

[ NodeJS | PHP | Python ]

### Database & API

[ SQL | GraphQL ]

## SOFT SKILLS

- Team collaboration
- Stress resilience
- Active listening

## LANGUAGES

**Italian:** Native

**English:** Proficient

**Spanish:** Independent

## PROFESSIONAL EXPERIENCE

### Mono S.r.l - Frontend Developer | May 2024 - May 2025

- Developed user interfaces for high-traffic e-commerce platforms, enhancing usability and performance;
- Implemented scalable solutions using Vue.js and Nuxt.js frameworks, ensuring responsiveness across devices;
- Integrated RESTful and GraphQL APIs for complex functionalities, improving data synchronization and user experience;
- Collaborated with cross-functional teams to meet project deadlines and optimize web performance.

## EDUCATION

### Master's Degree in Digital Humanities (LM-43)

University of Catania | 2022 - Present

- IT skills(Python, SQL, PHP, Data management)
- Linguistic theories (Pragmatics, Communication, Lexicography)
- Historical and legal skills(intellectual property law and history of information technology)

### Mono S.r.l. - Curricular internship | Jan. 2024 - Apr. 2024

150-hour internship focused on the study and development of web applications, following a "mobile-first" approach and using Vue.js/Nuxt as the main frameworks. I collaborated with the development team in implementing responsive solutions and optimizing performance.

### Web development course | 2022

- Front-end (HTML, CSS, JavaScript & NodeJS)
- Back-end (MySQL & PHP)

### Bachelor's Degree in Communication Sciences (L-20)

University of Catania | 2019 - 2022

Graduated with a score of 107/110
